

# POSTCARDS FROM LOCKDOWN

**Are you a young person with something to say about your experience of lockdown? We would like to know what you think and how you are feeling...**

- Have you found something interesting to do?
- Are you missing particular people or activities?
- Are you worried about school, university, work or something else?

Send us a postcard with your words or pictures, for us to display in the Sea Mills Museum and notice boards around Sea Mills and Coombe Dingle. Be honest and as creative as you like.
